Rosanna Berardi, Esq. is the driving force behind Luxury Purse Bingo (LPB), a passion project that combines her love for fashion and community. With LPB, she's created a unique experience that blends the excitement of bingo with the allure of luxury designer purses, drawing local women together for a memorable afternoon in support of community causes.

A cause that is near to Rosanna's heart is Sophia the Fierce Inc. Seven year old Sophia Benintende battled a rare, aggressive form of cancer for two years. During her battle, Sophia started a foundation to help her fellow cancer Warriors fighting her same battle. On May 9th, 2023, Sophia passed away at the age of 9. It is in Sophia's honor that her family continues Sophia's mission of Respite, Research, and Relief.

Why We're Partnering with Sophia the Fierce Inc. for 2026 Luxury Purse Bingo

At Luxury Purse Bingo by Rosanna Berardi, we believe in giving back to the Western New York community in meaningful, lasting ways. That's why we're proud to partner with Sophia the Fierce Inc. for our 2026 event.

This partnership is rooted in shared values: Supporting local families, uplifting children facing pediatric cancer, and ensuring that every dollar raised stays right here in our community.

Together, we hope to take an even bigger step forward: raising funds toward building a respite house for pediatric cancer families to spend quality time together. A space to rest, regroup, and feel cared for during life's most challenging moments. One powerful mission. Two women-owned organizations. Hundreds of generous supporters. All for the kids of WNY in the fight against cancer.

Will you join us in our mission?
